## INFORMATION ON NOTIFICATION

The plaintiff must, after filing the application with the Tribunal administratif du logement, notify a copy to each party. When it is notified, the application must be accompanied by the exhibits supporting it or a list of the exhibits indicating that they are available on request. Proof of notification and a list of the exhibits must be filed in the record of the Tribunal.

The Tribunal may refuse to convene the parties to a hearing as long as the documents (list of exhibits and proof of notification) have not been filed in the record.

If proof of notification of the application is not filed within **45 days after the application is filed**, the application expires and the Tribunal closes the record. However, if you are convened within that time period, you must bring proof of notification to the hearing, if it has not already been filed in the record. When sending proof of notification to the Tribunal, clearly indicate the record number(s) and the names of the parties concerned on each document.

Notification can be made by registered mail, by bailiff, in person by a courier service, by technological means, or by any appropriate method that provides the notifier with proof that the document was received. If the plaintiff is unable to notify using one of these methods, the Tribunal administratif du logement may authorize another mode of notification at any time.

## **REVOCATION**

This application suspends the execution and interrupts the period for appeal, in accordance with section 89 of the *Act respecting the Administrative Housing Tribunal*.

## **CHANGE OF ADDRESS**

You must notify the Tribunal and the other parties, without delay, of any change of address that occurs during the proceedings.
