AMENDMENT

No amendment is allowed if it is pointless or contrary to the interests of justice or if it stems from a completely new application unrelated to the original application.

INFORMATION ABOUT NOTIFICATION

The plaintiff must, **after filing the amendment with the Tribunal administratif du logement**, notify a copy to each party.

Proof of notification must be filed with the Tribunal. When filing proof of notification with the Tribunal, clearly indicate on each document the record number(s) and the names of the parties concerned.

Note that if the purpose of the amendment is to add a party, the rules governing application notifications apply with the necessary adjustments to reflect the nature of your application. To this end, we refer you to the information on the back of your original application.

Notification can be made by registered mail, by bailiff, in person by a courier service, by technological means, or by any appropriate method that provides the notifier with proof that the document was received. If the plaintiff is unable to notify using one of these methods, the Tribunal administratif du logement may authorize another mode of notification at any time.

CHANGE OF ADDRESS

You must notify the Tribunal and the other parties, without delay, of any change of address that occurs during the proceedings.

A party who fails to give notice of his or her change of address may not apply for revocation of a decision rendered against that party by invoking the fact that he or she did not receive the notice of hearing, if this notice was sent to the party's former address.
